SCORER RESPONSIBILITIES

- Record which wrestler is red or green; which wrestler makes the choice at the start of the 2nd and 3rd periods and during tie breaker; which wrestler has the choice of options at the beginning of the 3rd period and overtime periods; and wrestler's choice after opponent's 2nd injury timeout. Know which wrestler has the advantage position anytime the match is stopped;
- When signaled by the referee, record points scored by each wrestler;
- Circle first point(s) scored in the regulation match; unsportsmanlike conduct during a match supercedes first match points scored (for use in Ultimate Tie Breaker position decision);
- Check with the visitor's score keeper to verify the match's points and advise the timekeeper when there is a disagreement or confusion about the score or points on the scoreboard;
- Tell scoreboard operator the correct score during each match, especially at end of each period and at end of match;
- ▶ Record the completion time of each match;
- Present score book to referee for team score verification and signature at end of dual meets;
- Assistant (Visitor) Scorers: you are responsible for recording points earned during match and team score, including circling first points scored (and noting any unsportsmanlike conduct penalty which occurs during the match); and
- TURN OFF cell phones, music players, etc. during ALL matches.

TIMEKEEPER RESPONSIBILITIES

- Keep the overall time of the match;
- Stop the clock when the referee stops the match;
- Measure and record the accumulated time for each wrestler when the match is stopped for injury and bleeding time-outs. For injury timeouts: only 2 time-outs may be taken with total time not to exceed 1½ minutes per match; for bleeding timeouts: 5 minutes total time for all bleeding occurrences;
- Measure and record recovery time; recovery time may not exceed 2 minutes per occurrence;
- Notify the referee of any significant situation when the match is stopped; when the official scorer and the visitor's scorer disagree about the match score; or when a coach requests a conference to discuss a possible rule misapplication or scoring error;
- Assist the referee to determine if an action or a situation occurred before or after the time clock stopped or the period ended; and
- If a visible clock is not available, announce time left and display visual cards at 60, 45, 30, 15 seconds left in match.
