2017-18 "14 GLADIATORS WORKING AS ONE F.A.M.I.L.Y.

Dear **Wrestlers, Little Sis, and Parents**, "Row your Boat Toward a State Championship"

Academic Awards -Academic All Ohio and Scholar Athletes

Introductions/Thankyou's

To my most thoughtful and lovely wife, **Cindy** Thanks to my wife for making all this work and assisting me in so many ways. Without her, I know I wouldn't be here celebrating another great year. and my 35th year coaching. Also a big shout out to my # 1 fan my granddaughter **Beatrix**. She followed me and the team at home events. Nothing like having her cheering Papa Bear!

Thanks for all your time washing mats, running the clock, getting water, traveling to all the away tournaments and keeping all the necessary stats, but especially thanks for all the memories. You had a super year with some memorable victories. You have all made your mark on Wadsworth Wrestling forever. Good Luck in the future and in college. Be sure to visit us and help the others. Thanks for all your time in helping us with all the necessities to keep a state level program going. You do so much behind the scenes that go unnoticed. We might not always say it, but we really need you and appreciate all that you do.

JV/Frosh Wrestlers: **NICK RANALLO** To the Juniors, Sophomores, Freshmen: I hope you have learned from these varsity wrestlers. The years have gone by so fast. Their handwork and dedication has certainly paid off. Your job is to continue the excellence and keep the tradition going. Most of these varsity wrestlers have also excelled in the classroom and will go on to be successful in college and life. Keep your goals high and set your priorities of hard work in the off season. Do not become discouraged if your season did not turn out the way you wanted. You will see a dramatic improvement next year. Most of this year's high school varsity team did not have a winning record or wrestled on Varsity while in the 9th or 10th grade. Get to some tournaments, open mats, and camps this spring and summer and you will be pinning your opponents next year. You have the nucleus to carry on the tradition of the great Wadsworth teams that have gone before. Just continue to do it!

FINAL THOUGHTS: We had a great journey with lots of good memories. We won an individual state championship with Jordan Earnest winning 2-1, going undefeated in OHIO. Luke Baughman also represented all of us in the Finals and he is coming back along with three more placers. We placed in the TOP 3 of the State of Ohio out of 177 teams. Even after some early injuries, football players getting into shape and only FOUR losses to St Edward, Brecksville AND Graham you kept believing and trusting in me and the coaches and the program. We do have the formula, we just have to follow it. Yes, we had memorable year. Almost **26 in a row**. But it is time to start another streak and keep the excellence and remember To Believe in each other when it gets uncomfortable. This was by far a year in which the parents trusted the coaches and program that we are doing the right thing and avoided the controversy and spread less gossip and took ownership in Wadsworth wrestling. We have a great things going here that most communities are jealous of. People are jealous about Wadsworth. We became the 1st public school to win a State title since 1977 Nordon team. But we have the target on our back. Four years ago Massillon Perry has repeated what we did in 2010. Four years ago Brecksville beat St Edward for the dual meet state championship. We will not sneak up on any body including St. Edward. We are in position to win again- 3rd Place and Banner finish this summer and keep our program on top. It doesn't matter what role you play- Little Sis, Stat, parent, coach, freshmen wrestler, JV, Varsity, SL champ, Sectional Champ, District Qualifier, State Qualifier, State Placer, State Champ, We are all do our part to maintain and propel our program even further. We need to keep the excellence by remembering even if it deals you a bad card once in awhile. Everyone matters! And everyone will benefit from the experience. We need to remember this in tough times when things aren't going as planned. Keep our petty problems from interfering from the total picture. Things will become more difficult as we continue to grow. Keep communicating and remain positive.

Let's be ENERGY GIVERS NOT ENERGY TAKERS. TROPHIES COLLECT DUST; MEMORIES LAST FOREVER!

We need to use the power and magic we felt at the State to bring us more together than ever before, work harder than ever before- WHS camp, Team Camp and Battlezone's camp, open mats, freestyle and weightlifting. We are going to continue with our weight program WF in April and May and then MWF 6:55AM in the summer at the HS. Coach Ranallo will continue to tweek and improve our weight program. We will continue to use freestyle and open mats as a great learning tool to catch up or stay ahead.

Yet, we still need to remember is the special ingredient that we have learned from the entire experience the past years- Handling and dealing with adversity. Because struggling makes the wins mean more and the championships more special. Be determined not frustrated. Have less distractions and more loyalty. Keep the excellence by trying to do it a little better and When it gets uncomfortable: Believe in yourself! Believe in your teammates! Believe in your coaches! That team togetherness, unity and toughness gave us ...
